

Auto Bulk Behind Mirror Multi-Function Soap/ Sanitizer Dispenser 1200ML

The automatic multi-function soap dispensers with large soap capacity (1,200ml) has been designed for a behind mirror installation. The benefit of a large soap bottle is it can save the time and cost for soap-refilling. It uses our patented and alcohol resistant pumps: liquid, foam and spray and a simple change of the soap pump can convert the unit into a different type of automatic soap dispenser. There is also a smart LED indicator that will flash to indicate low battery status for the soap dispenser.

MULTI FUNCTION RANGE

Why HK-SSD PLUS-BM?

hands-free

AC adapter available

1000 ml soap bottle

battery life 145k uses
